# Once is Enough!

When you sign up for all of the 2010 BCG Monthly Telephone Briefings in advance, you fill out only one form – one time! Put your information on the lines below and you are set for the whole year. You are put on our “Regulars” list and you will automatically be signed up for the briefings each month. Your institution will be billed a \$15 Registration Fee each month for each line used. However, the **audio recordings are free (CDs)**. Fill out and fax this form to Summer Myers at 949-474-2906 or call with any questions to 800-742-3600.

Make the BCG Monthly Telephone Briefing a standing event at your office. Your registration covers all the monthly telephone briefings in 2010. To keep administrative costs low, cancellation will not be an option.

*(Notices of the meetings will still be sent out with your monthly mailing.)*
