Under rules that became effective in 2014, all “loan originators” of consumer-purpose, dwelling-secured, closed-end loans must receive training on state and federal laws applicable to their job duties. This requirement appears as part of the loan originator qualification requirements in Regulation Z Section 1026.36(f). It applies to all residential mortgage loan originators, both employees and third-party mortgage brokers. The training requirements apply to a loan originator regardless of whether he or she meets the definition of a “mortgage loan originator” under the SAFE Act. Under Regulation Z, the term “loan originator” is defined broadly and includes any employee who takes an application for a residential mortgage or offers, arranges, or assists a consumer in obtaining or applying for a dwelling-secured, closed-end loan. The rule is limited to closed-end mortgages; home equity lines of credit are not covered.

This two-hour Webinar will provide training that is relevant to all loan originators and will help fulfill their training requirements under Regulation Z. Under Regulation Z, training must cover both federal and state law that apply to the LO's job responsibilities and, as such, this Webinar will cover both federal and state law.
