

BCG Monthly Telephone Briefing

December 2015

2016 California Legislation Update

The California Legislature was busy this past year enacting a number of measures, many of which addressed employment and labor law matters. Other efforts focused on real estate lending and banking operations. In keeping with tradition, we will present our annual Legislation Update, a single handout that summarizes state legislation adopted during the 2015 session. Most of these measures will take effect January 1, 2016.

Our discussion will focus on matters affecting financial institutions, including new California laws that impact commercial lending, real estate lending and deposit accounts. Our Legislation Handout is designed to provide management, directors and staff with a fast-paced update on what happened in Sacramento during the past year that will impact California financial institutions in 2016.
