

BCG Monthly Telephone Briefing

December 2017

2018 California Legislation Update

Each year the California Legislature introduces measures many of which are signed into law by the Governor. The focus of the Legislature this past year seemed to lean toward affordable housing efforts and employment and labor law matters. Other efforts focused on real estate lending and banking operations. In keeping with tradition, we will present our annual Legislation Update, a single handout that summarizes state legislation enacted during the 2017 session. Most of these measures will take effect January 1, 2018.

Our discussion will focus on matters affecting financial institutions, including new California laws that impact consumer lending, real estate lending and deposit accounts. Our Legislation Handout is designed to provide management, directors and staff with a fast-paced update on what happened in Sacramento during the past year that will impact California financial institutions in 2018.
