Monthly Telephone BRIEFING

December 13, 2019 – 12:00 – 1:30 p.m.

2020 California Legislation Update

Every year, the California Legislature introduces thousands of measures, many of which are signed into law by the governor. This year, the Legislature focused on amending the 2018 California Consumer Privacy Act in ways that help financial institutions comply with its provisions. Lawmakers also implemented public bank “charters” which will be authorized by the Department of Business Oversight.

We invite you to attend our annual event when we will present our annual Legislation Update, a single handout that summarizes state legislation enacted during the 2019 session. Most of these measures take effect on January 1, 2020.

Our discussion will focus on statutes affecting financial institutions, including new California laws that regulate privacy, banking operations, consumer lending and mortgage lending. Our Legislation Update is designed to provide management, directors and staff with a fast-paced update on what happened in Sacramento during the past year that will impact California financial institutions in 2020.
