Monthly Telephone BRIEFING

Friday, December 19, 2025 – 12:00 – 1:30 p.m.

2025 California Legislation Update

Every year, the California Legislature introduces thousands of measures, many of which are signed into law by the governor. This year, the Legislature focused on plenty of matters that impact consumer and real estate lending, corporate governance, banking operations, privacy, and loan workouts and collections.

We invite you to attend our annual event when we will present our annual Legislation Update, a single Handout that summarizes state legislation enacted during the 2025 session. Most of these measures take effect on January 1, 2026.

Like always, our discussion will focus on statutes affecting financial institutions. Our Legislation Update is designed to provide management, directors, and staff with a fast-paced update on what happened in Sacramento during the past year that will impact California financial institutions in 2026.
