

# BCG Monthly Telephone Briefing

June 2017

## Military Lending Act & Regulations Revisited

**T**he Military Lending Act (MLA) imposes limitations on the terms of consumer credit extended to service members and their dependents. The Department of Defense (DoD) regulations implementing the MLA have been in effect since October 2016. However, compliance with provisions applicable to credit cards was delayed to October 3, 2017. Recall also that in August 2016 the DoD issued an interpretive rule, in the form of questions and answers, aimed at ironing-out some of questions raised by the industry.

With the date for complying with the MLA credit card provisions fast approaching, what better time than now to revisit the rules. Join us as we review the regulations, the provisions applicable to credit cards and the guidance from the interpretive FAQs.
