

MAY 2014 BCG TELEPHONE BRIEFING

BCG MONTHLY TELEPHONE BRIEFING

Friday, May 16, 2014

12:00 - 1:30 p.m.

(with live Q&A)

ALDRICH BONNEFIN & MOORE, PLC

Federal and State Rules on Telemarketing, Spam and Junk Faxes

Before you push that “dial” or “send” button, do you know if your telephone call is considered telemarketing, your email is considered spam or your fax is considered a junk fax? If it is considered telemarketing, spam or a junk fax, pushing that button triggers numerous requirements and restrictions under both federal and state law. So, before you push that button, join us for the BCG May 2014 Monthly Telephone Briefing, *Federal and State Rules on Telemarketing, Spam and Junk Faxes*.

In this briefing, we will cover:

- The Federal Telemarketing and Consumer Fraud and Abuse Prevention Act
- The Federal Telephone Consumer Protection Act
- California laws pertaining to telemarketing
- The Federal CAN-SPAM Act of 2003
- California Anti-Spam Statutes
- The Federal Junk Fax Act
- The California Junk Fax Act

For an explanation as to why the May 2014 Monthly Telephone Briefing is not covering developments with regard to the mandatory purchase of flood insurance requirements, refer to the *Flood Insurance Update* posted on the BCG website.
