# JANUARY 2013 BCG TELEPHONE BRIEFING

## BCG MONTHLY TELEPHONE BRIEFING

Friday, January 18, 2013

12:00 pm-1:30 pm

*(with live Q&A)*

### California Legislation Update

Our California Legislature made its mark this year! Not only did it support Attorney General Kamala Harris in her fight for a “Homeowner Bill of Rights,” but also adopted a number of new laws that were signed into law by Governor Brown. In keeping with tradition, we will present our annual Legislation Update, a single handout which summarizes state legislation adopted during the 2012 session, focusing specifically on matters affecting financial institutions. Many of the measures took effect January 1, 2013.

Our discussion will include new California laws that impact consumer and mortgage lending, including residential real property foreclosure protections, writs of attachment and other legal processes, and a major overhaul of the Department of Financial Institutions under the governor’s reorganization plan. The BCG Legislation Update is designed to provide management, directors and staff with a fast-paced update on what happened in Sacramento during the past year that will impact financial institutions in 2013.
