## **BCG LENDING LIMIT HANDOUT REVISION**

Please note, a correction has been made to BCG Handout #12-9B, "Lending Limits." Specifically, on page 20, at paragraph 4, the discussion of the OCC's interim final rule revising its lending limit rules to implement Section 610 of the Dodd-Frank Reform Act to include credit exposures arising from derivative transactions (among others) within the definition of "loans and extensions of credit," has been revised to clarify that the provisions of the interim final rule become effective on January 21, 2013.
