Introducing Compliance Companion®...  
for your mobile device!

Compliance Companion® is a one-stop regulatory compliance resource for financial institutions. This compilation of 20 leading compliance manuals is a web-based library which digests federal laws and regulations to make it easier for your institution to understand and keep up with ongoing compliance developments.

Published by Aldrich Bonnefin & Moore, Compliance Companion® is updated monthly to include the newly revised manual for that month. It has lots of useful features, including searchable text and links to internal cross-references as well as to web-based sources.

Now this compliance resource is available for your **mobile device** (e.g., tablets and smart phones) making it faster and easier for you to access the latest federal and California laws and regulatory updates...  
*while on the move.*
