

Aldrich & Bonnefin, PLC*, Counsel for Bankers' Compliance Group® Presents

LETTERS OF CREDIT IN UNCERTAIN TIMES

June 2026

Given the recent international conflicts, imposition of tariffs, and the continued uncertainty in the economy, there continues to be a focus on issues related to international commerce and issuing and negotiating letters of credit, including the examination of documents. Bankers Compliance Group® is pleased to invite you to attend our Seminar on Letters of Credit in Uncertain Times.

During this Seminar, we will start with a discussion about the basics of letters of credit and the rules that govern letters of credit, followed by a more focused discussion on standby and commercial letters of credit and related issues. We will then end our day discussing hot topics related to letters of credit, including the use of evergreen standby letters of credit with automatic extension provisions, issues related to governing law and sanction clauses, and other hot topics.

**We have scheduled only
Recording Playbacks with Live Q&A
for this Seminar.**
