NEW BCG HAPPENINGS!

We are excited to announce our newest innovation in delivering BCG Seminars to BCG Members!

Beginning with the August **Financial Privacy & Information Security** Seminar, which will be presented by Robert Olsen and Keith Forrester, we will introduce a new feature to our BCG Seminars – it's called the "Recording Playback."

So what is this exactly? We will record the monthly seminar ahead of time and host a Recording Playback for BCG Members (only) to attend on a specified date from 8:30 a.m. to 3:00 p.m., with scheduled breaks (including a lunch break) as we normally do at live seminars. In addition, during the Recording Playback, we will provide several live Question & Answer Sessions during which attendees will be able to ask questions of the speakers.

For the August Seminar, the Recording Playback will occur on **Thursday, August 22**. This is reflected in the announcement for this seminar. [\[Click here for the announcement.\]](#) Each BCG Member will be able to register for the Recording Playback as it does for any other seminar location. That is, think of the Recording Playback as a "location" for registration purposes. Each registration for the "Recording Playback" location will count toward the 20-seat limit that applies to BCG Members for each monthly seminar.

Once a person is registered for the BCG Recording Playback, it will be up to that person whether to allow other employees of the institution to attend the Recording Playback. It is perfectly acceptable to invite other employees from the same institution to attend the Recording Playback.

Then, two days before the Recording Playback date, we will send an email to the registrant which will contain a link and PIN number to connect online. You will also receive an email notification when your PIN is activated and the Seminar Materials are available to download from the BeaconLive website.

If you have any questions, please contact Bankers' Compliance Group® at 1-800-742-3600. We hope you're as excited about this as we are!
