NFIP Extended Through December 20, 2019

On November 21, 2019, hours before the National Flood Insurance Program (NFIP) was set to expire, Congress passed and the President signed an appropriations bill (H.R. 3055) that, among other things, extended the NFIP through December 20, 2019. Without this bill, the NFIP was set to expire on November 21, 2019. The law firm will continue to monitor and report on the NFIP's status. Contact Stephanie Shea if you have any questions on the flood insurance regulations, including private flood insurance at SShea@ABLAWYERS.COM.
