NFIP Extended Through February 18, 2022

Last week, just hours before the National Flood Insurance Program (NFIP) was set to expire, the president signed the “Further Extending Government Funding Act” (H.R. 6119) that, among other things, extended the NFIP for a little more than two months from the date authorized, to February 18, 2022. Without this bill, the NFIP was set to expire on December 3, 2021. The law firm will continue to monitor and report on the NFIP’s status. Contact Stephanie Shea if you have any questions on the flood insurance regulations at SShea@ABLAWyers.com.
