**Y**ou know that the August 1, 2015 effective date of the new Loan Estimate and Closing Disclosure is fast-approaching. And you know you need to know the ins and outs of the new disclosures before then. You know you also need to be able to test your systems to ensure compliance with the new rules and train your staff prior to that date. How do you do all of this while still taking care of everything else on your desk? **Our two-part Webinar series on these new disclosures is your answer!**

Join us on June 25, 2015 for our two-hour, information-packed Webinar that walks you through the Closing Disclosure. In easy-to-understand terms, we will discuss the Closing Disclosure's coverage, timing requirements and contents as well as the prohibition on marking up settlement service charges and when a lender must issue a corrected Closing Disclosure. On June 11, 2015, we will host a Webinar that covers the Loan Estimate (refer to the separate announcement for that program).

As always, there will be plenty of opportunities to ask questions, so bring them!

If you miss either of these Webinars, do not fret! CDs of our webinars are always available for purchase.
