California's Unclaimed Property Law requires financial institutions to follow a two-step reporting process for unclaimed property. The Holder Notice Report is due annually by November 1st and includes a complete listing of a holder's unclaimed property that is currently reportable. The property will not be remitted until the separate Holder Remit Report is filed the following year in June. We will discuss practice tips and reminders from the California State Controller's Office to ensure your reports are approved and to avoid future interest assessments. The presentation will also outline the timelines for the escheat of deposit accounts, safe deposit box contents and financial institution-issued instruments. We also will address the legal notices required to be provided to customers at account opening and again prior to the reporting process.

TOPICS TO BE COVERED

- When property is subject to escheat
- Where to send property subject to escheat
- "Covered activity" examples
- "Dormant" versus "inactive" account status
- Escheating safe deposit box contents
- Customer due diligence notifications
- November 1st Holder Notice Report
- Holder Remit Report

A CD also will be available for purchase!
